## For use with

Epson Stylus® Photo 2200	Epson Stylus Pro 9600
Epson Stylus Pro 7500 <sup>1</sup>	Epson Stylus Pro 10000 <sup>1</sup>
Epson Stylus Pro 7600	Epson Stylus Pro 10600 <sup>2</sup>
Epson Stylus Pro 9500 <sup>1</sup>	

## Product Information

Whether the application is photographic portraiture or fine art reproduction, PremierArt™ Water Resistant Canvas for Epson will satisfy even the most demanding professional by providing both the finest image quality as well as a vehicle for enhanced artistic creativity. Made by Premier Imaging Products, Inc. from a durable blend of 65% Polyester and 35% Cotton, this unique heavyweight, quality canvas utilizes a tight weave that is ideal for photographic and fine art reproductions. It offers a high resolution coating that is pliable enough to withstand stretching without sagging, and displays a subtle texture for a true artistic look and feel. Combined with incredible color reproduction, PremierArt Water Resistant Canvas for Epson provides a high gloss finish, instant dry versatility, and water resistance to allow for all applications that require the highest image quality and an archival display life. Like all innovative media offered by Epson, this product is engineered to give you the highest resolution and color saturation possible.

<sup>1</sup> Archival ink version

<sup>2</sup> Archival ink version and UltraChrome™ ink version

## Features/Benefits

- Highest resolution canvas coating for outstanding reproductions
- Glossy surface for easy spraying
- Unique texture for true artist look
- Heavyweight for quality feel
- Cotton/Poly blend for increased durability
- Stretchable for framing

## Feature Checklist

Feature	Performance	Additional Comments
Indoor/outdoor usage	Indoor use only	Although this canvas is water resistant, it is recommended to apply a protective overcoat if not displayed behind glass.
Ink drying time	Instant dry	Ink is dry to the touch one hour after printing. However, it takes 24 hours before it cures and becomes durable.
Ability to stretch	Excellent	An additional canvas tightening spray can be applied to the backside of the image.
Finishing	Recommended	PremierArt Print Shield Spray is especially designed for protecting ink jet prints on this product. It will also provide increased lightfastness. See <a href="http://www.wilhelm-research.com">www.wilhelm-research.com</a> for details.
